To graduate from Novice to Expert:

1. Complete six *OMRRA* races in a row without crashing, and without negative observations from Officials regarding on-track safety. To count as "complete" the Novice must finish at least 75% of the event distance.
2. Meet graduating time in those races, two of which may be rain races in which graduating time is not considered. Dry race graduation time: best lap within 115% of the most recent dry race best lap of the Expert winner for the class into which the Novice's bike primarily fits (ex: Yamaha R6 = 600 Supersport).
3. Perform eight hours of *OMRRA* Volunteer Time.
4. Fill out and turn in a Novice Racer Graduation Form, documenting the above.
