THANKS TO OUR SPONSORS!

Once again, we appreciate our sponsors who have partnered with OMRRRA to provide trophies, awards and recognition to our highest achieving racers this year. Our title sponsor, KFG Racing/Pirelli lead by Barry and April Wressel, have worked alongside many of our top racers in the pits, tuning suspension and getting the most out of those Pirelli tires. Eric Dorn, loud and proud leader of EDR Performance in Beaverton helped Clubman champion Andy DiBrino trade record-breaking lap speeds with Devon McDonough, with his outstanding performance race engines and tuning. Langlitz Leathers, Portland's own and crafter of the "world's best motorcycle leathers" hosted the championship vintage series; OMRRRA's first female racer series champion, Mica Grohn, meets this first year championship sponsor on the top step of the podium.

THE PERFECT PRESENT!

Santa, baby... just a friendly reminder to ask that sleigh racin', PETA-flauntin' jolly leader of next year's Formula Hefty class to slip a 2010 helmet under your tree. New gear tech rule takes effect, and your old 2005 lid won't cut it in 2015. It wouldn't hurt to let your significant other in on the secret.
