OMRRA has many opportunities for volunteering during the off season!

### OMRRA New Racer Workshops

OMRRA will be holding new Racer workshops in January, February, and March. The dates and locations are to be determined. Racers are always a welcome addition to these events to talk to new prospective racers and volunteers! Keep an eye out for more information on Facebook and the Website.

### Committees

OMRRA always needs help behind the scenes - there are active committees for Communications, Sponsorships, Safety, and Membership issues that all do work during the off-season. Email [OMRRA](mailto:info@omrra.com) and we'll make sure you get connected!
