Event Goals:

1. Raise money to purchase and repair Air Fence and other safety equipment used by the Oregon Motorcycle Road Racing Association at Portland International Raceway.
2. Showcase motorcycle-oriented films in a very high quality venue to an audience of enthusiasts. Get the word out about these movies, and applaud the best work.
3. Create an annual mid-winter gathering for the Portland motorcycle community with opportunities to:
 - a. Combat the seasonal nature of motorcycling in Oregon, and foster a "year round" connection to our sport and community in the Pacific Northwest.
 - b. Provide a platform for Northwest motorcycle businesses to connect and communicate to their core consumers.
 - c. Increase awareness of motorcycle racing at PIR, including OMRRA's New Racer School and race weekend volunteer opportunities.

Event Results:

1. Founded in 2013, the PDXMFF has sold out every show, every year, 380 seats at the Hollywood Theatre in Portland, Oregon.
2. Over \$50,000 donated. 100% volunteer staff.
